

Let your Light Shine

Exhortation to Repentance.

Math. V. 14.

7-65.

1 Darkness in ourselves, we shine
With lustre not our own,
Cheer the world with light divine
Reflected from that sun,
Till that sun of righteousness
All his glorious rays display,
Universal nature bless
With everlasting day.

2 Can we from the world conceal
A church that's built on thee?
Seated on thy holy hill,
They must the city see:
Pride away from, and pretence chide,
Bid us keep our faith unknown;
Faith its light no more can hide
Than the meridian sun.
