My Dear Sister

I received Yours of Nov. ²² 77th p 30
this Morning. I have considered what
you say, & do not perceive that you are
at all to blame, in your Behaviour
with regard to Harry. I have a Love
to the Lad, & hope to see him and you
at Limerick, if I live till Summer.
Mr Bailey is an excellent young man;
but he is prejudiced in this matter.
It is your part, in spite of all hindrances,
to make the best of your way to Heaven.
I hope M^{rs} Watson is helping you on
our way, I am.

My Dear Sister

Yours very affectionately
M^{rs} Weston
