

Darnel Arise.

Christian's Experience.

Mark V. 41.

6-8s.

1. Jesus, I wait the Spirit's power
Which ever doth from thee proceed,
Which did the breathless sinner restore,
To raise my spirit from the dead;
I look continually to prove
The hidden life of holy love.
2. How Lord bid my dead soul arise,
In real holiness renewed,
O give me back my paradise,
The image and the life of God,
My life, my resurrection be,
And manifest thyself in me.
3. By one almighty word begin
My life of faith and holiness;
And while we daily die to sin,
Thyself, by swift or slow degrees,
Diffuse through all thy members here,
And then our glorious head appear.
