Manchester
March 31. 1785.

My Dear Brother

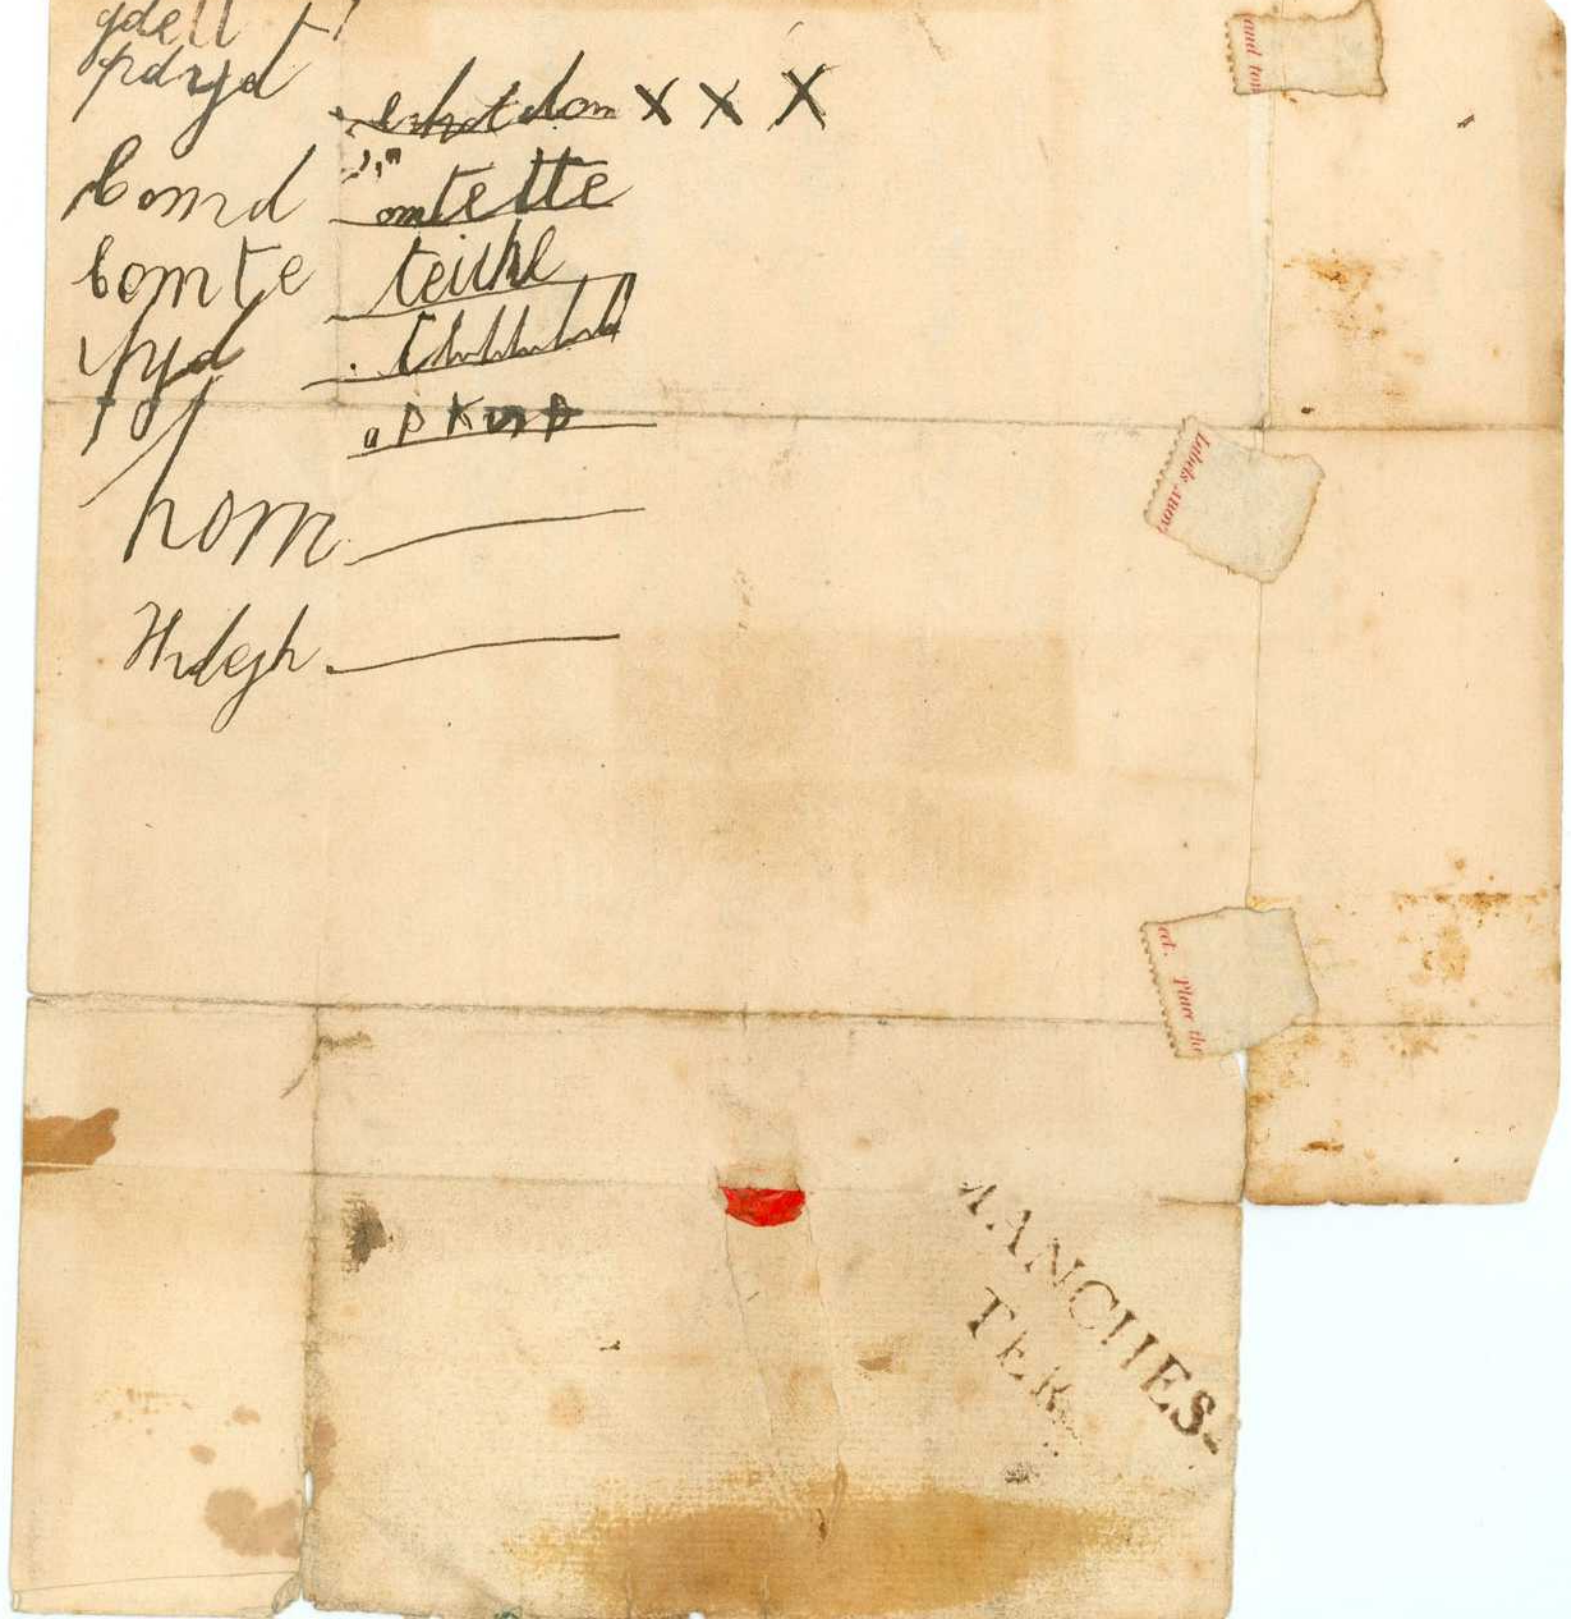

That should be always upon your mind, to carry the Gospel into New Places. There is room still for enlarging our Borders, particularly in Holderness.

I am in doubt, whether any thing will remove Sister Harrison's Pain, like taking the Quicksilver & Aqua fortis prescribed. But John Floyd tells me, Elixir of Vitriol does just as well as the Aqua fortis.

I am

Your affectionate Friend & Brother

J Wesley
