

armour of God

Eph VI. 13.

L. M.

1 Captain, we thy command obey,  
 Thy shield almighty spirit lend!  
 To arm us in the evil day,  
 We all the heavenly armour need,  
 2 Armour of proof, which can endure  
 The assaults of sin, the world, and hell:  
 Less than the whole will not secure,  
 And make thy host invincible.

3 But lo, we every grace put on,  
 Dantless the alien armies meet,  
 We tread the powers of darkness down,  
 And trample death beneath our feet;  
 4 And having all our foes o'ercome,  
 Complete in perfect holiness,  
 We stand, till thou receive us home  
 To stand before thy glorious face.
