

Adoration of the Spirit

Rom VIII. 16.

S. M.

1. Father, obedient to Thy will,  
 Inspired with Love divine,  
 With meekness, peace, and joy, we feel  
 That we are truly Thine:  
 Thy Spirit by his fruit declares  
 Us pardoned and renew'd,  
 And witness with our spirit bears,  
 That we are born of God.
  
2. The blood which made our conscience pure,  
 Full confidence imparts;  
 Thy testimony, Lord, is sure  
 In all Thy children's hearts,  
 The Spirit of Thy Son within,  
 Who Abba Father cries,  
 Redeem the faithful soul from sin,  
 And wholly sanctifies.
