MARYLEBONE

April 20th Mary bone

Dear Sir

1806 No. 1 Gt. Woodstock Street
near Nottingham Place

I am greatly oblig'd by the kind Interest you have taken respecting the Hymns in Manuscript:
Mrs Dawson is accurate, in her Statement of those Psalms which were sold, for which I rec'd the Sum, she mention'd.
If you think another Vol.e might be made, out of those in Your possession, and the Conference is of opinion that they would be of use, I shall willingly acquiesce in Your Selection — But I do not mean to force them upon the Society, General Benefit would be my chief motive, and I leave the Same to Yourself. — With grateful Respects, and

The kind regards of my Son & Daughter
to Yourself and Mrs Roberts.
